DOCUMENT AND INFORMATION REQUESTS

DOD/FEA-DESC No. 5-1. Property tax expense: Please provide the electric utility net plant in service at December 31 of each year 2014, 2015, 2016, 2017, and 2018.

DOD/FEA-DESC No. 5-2. Property tax expense: Please provide the electric utility property tax expense for each year 2015, 2016, 2017, 2018, and 2019.

DOD/FEA-DESC No. 5-3. Property tax expense: The work paper used to calculate the increase in property tax expense (Attachment 1-5 PF Adj #7 Annualize Property Tax Expense.xlsx) shows an increase in net plant of 1.3% $((\$6,190,047,701/\$6,113,265,369)-1)*100$, and the same work paper shows an increase in property taxes of 8.1% $((14,26,553/175,106,172)*100)$. Please identify, quantify, and explain the issues that caused the property tax expense to increase at a rate of more than six times the rate of increase in net plant in service.

DOD/FEA-DESC No. 5-4. Employee health care cost: Please provide the employee health care cost in the format of the tab Worksheet in the file Attachment 1-5 PF Adj #3 Annualize Healthcare Costs by month for each year 2015 through 2019.

DOD/FEA-DESC No. 5-5. Voluntary retirement program: Please provide the voluntary retirement program's total expected annual savings in payroll cost, benefits cost, and payroll taxes.

DOD/FEA-DESC No. 5-6. Voluntary retirement program: Please provide the voluntary retirement program's annual savings in payroll cost, benefits cost, and payroll taxes that are reflected in pro forma expenses.

DOD/FEA-DESC No. 5-7. Voluntary retirement program: Please provide the voluntary retirement program's total itemized cost.

DOD/FEA-DESC No. 5-8. Voluntary retirement program: Please provide the cost of the voluntary retirement program included in pro forma expenses

DOD/FEA-DESC No. 5-9. Voluntary retirement program: Please provide the period over which the voluntary retirement program's savings are expected to be realized.

DOD/FEA-DESC No. 5-10. Voluntary retirement program: Please provide the voluntary retirement program's total expected annual savings in payroll cost, benefits cost, and payroll taxes for employees that have retired after wages were annualized in Adjustment No. 1.

DOD/FEA-DESC No. 5-11. Deferred costs: For each deferred cost (other than regulatory assets and liabilities) for which the Company is seeking recovery, please provide any pro forma adjustments related to the item, an explanation of the item, the

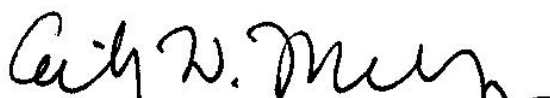

reason for including it in rate base or recoverable expenses, the benefit the ratepayers have received or will receive from the expenditure, the amount of costs deferred in each year, the period of time over which the cost will provide a benefit to ratepayers, the electric utility's return on equity for the South Carolina retail operations for each year during the deferral period, and any related statutes, orders, legal precedent or other available documentary support for including the item in rate base and pro forma expenses.

DOD/FEA-DESC No. 5-12. Deferred costs: For each deferred cost (other than regulatory assets and liabilities) for which the Company is seeking recovery, please provide an analysis of the item showing by month the related revenue or expense, increases and decreases to the accumulated deferred item with basic descriptive information, and the account balances. This analysis should begin with the later of the origination of the item or the last jurisdictional filing which included the item, and the analysis should continue through the latest available date. Please provide this analysis in Excel compatible format with fully functional formulas and source references for hard coded data.

DOD/FEA-DESC No. 5-13. Production plant maintenance: Please provide an analysis of the major overhauls of production plant showing for each unit the overhaul cost each year for the greater of ten years or two major overhaul cycles, showing the unit overhauled, the year of the overhaul, the cost of the overhaul, and the total annual cost recovered from ratepayers for major overhauls.

DOD/FEA-DESC No. 5-14. Capacity cost: For each deferred capacity purchase please provide the expenditures by year or the purchase, the dates when the contract begins and ends, the total cost deferred, the annual amortization included in the revenue requirement, and the statute, rule, or order authorizing the deferral.
